

2. What personal data do we process?

2.1.1 The type of personal data that we process about you may be:

- (a) Identity information, such as date of birth, age, nationality, gender, etc.
- (b) Contact information, both personal and professional, such as name, organisation (company) name, registration number, VAT registration number, postal address, phone number, mobile phone number, e-mail address, fax number, etc.
- (c) Employment information, i.e. information regarding your employment or other relationship with the party for which you are a contact person, such as job title, role, position, etc.
- (d) Information regarding products and services, such as product and service name, description, content, customisation, etc. and details regarding sold or purchased products and services, etc.
- (e) Unique user information, such as login ID, username, password, security question, etc.
- (f) Device information, such as IP address, language settings, browser type, browser settings, time zone, operating system, platform, screen resolution, response time, download error, etc.
- (g) Traffic and usage information regarding our external systems, such as which links you click and when, which functions you use and when, how you reached and left the service, session time, session ID, delivery notifications when we contact you, etc.
- (h) Traffic and usage information regarding our website, such as which links you click and when, the address of the website from which you arrived, etc.
- (i) Geographic information, your geographical location.

2.1.2 We do not process sensitive personal data (i.e. special categories of personal data) about you.
